

## February 2013 Newsletter

Greetings,

**January was a busy month, with lots of new miniatures added to the Photo Galleries as well as the Sales Gallery! Sales of Jacques Cuyper's Tiffany miniatures were especially strong, consequently there are none currently in inventory.**

As most of you are aware Jacques has closed the Tiffany Soldiers Business, so production of his heraldic miniatures has stopped. I will of-course continue to visit fellow collectors and dealers to try to secure additional Tiffany knights for my collection and resale on the web site.

**Please Note That Pay-Pal is now available for payment of your purchases.**

**New additions to the Sales Gallery on page 6 include several of the Miniature Heraldic Knights produced by Peter & Gilly Greenhill.**

**Under the Battle Diorama page, I have added a New Diorama featuring thirty or so of Peter's Courtenay/Greenhill knights from my collection.** The scene could be any where in France, perhaps Crecy or Poitiers, showing a battle in progress. Hope you enjoy it!

Last, but hopefully not least, a very favorable review of my latest book, "*Plantagenet Knights, a History & Collector Guide to the Heraldic Miniatures of John Braithwaite*", appeared in the March issue of Toy Soldier & Model Figure Magazine. A copy of the review will be posted to the web site shortly.

***Please feel free to contact me with any thoughts, questions, or ideas you have about collecting.***

***Thanks & keep Collecting,
