

## January 2013 Update

Greetings Collectors:

I just wanted to provide an update on some recent news and additions to the website!

**News:** Completing the final chapter of the new book on the Heraldic Miniatures & toy soldiers produced by Bob Hornung and Hornung Art. The book should go to the publisher in mid February and be available in early March.

A friendly Reminder that the **New Jersey Toy Soldier Show is scheduled for Sunday March 3rd**, at the Clarion Empire Meadowlands Hotel(formerly Crown Plaza)in Secaucus, NJ. I will have a booth so call me if you would like me to bring a particular item to the show for pick up.

**Under the Other Artists section** of the Web site I have added a new artist **Tye Roberts** and photos of two newly acquired heraldic miniatures that have joined my collection. Tye is a very talented artist who converts and paints knights from various makers. I have added a link to his website,(look under the Links button). Check out his work!

Also added some additional photos of knights crafted by **Kirk Killder**, that were supplied by fellow collectors Mr. Henry R. Rohns & Joe Remson. The 12 Knights pictured are they only ones that I have ever seen. **If any of you has a Kirk Killder knight in your collection or have any information or photos of his work, please contact me.**

**Under the Heraldic KNIGHTS FOR SALE section,** I just added a museum quality model (24 inches tall, 1/6th scale)of **The Black Prince by Roy Gregory.** These are VERY rare and several are in English museums including Windsor Castle! Check out the photos and story.

**Also new to the sales gallery is a limited Edition BRIAN RODDEN 90mm pewter heraldic miniature of Edward "the Black Prince" Take a look and compare the work of these world class artists!**

**Additionally, I have acquired a small collection of Tiffany Knights** by my friend and artist Jacques Cuypers. There will be a total of Ten new Heraldic miniatures. You can call or e-mail me to hold any miniature on this list. (Photos and the listing will be on the site and open to the public at large on Thursday of this week.)

That's it for now. So keep Collecting!

Cheers!  
Phil
